"Daybook" comes from the idea that information of interest to someone can be kept and collected on a daily basis, in chronological order or categorized in a similar way to the commonplace books (https://en.wikipedia.org/wiki/Commonplace_book) kept in earlier times. "Journal" indicates not only my love of journals and sketchbooks in their many forms but also my strong belief in the value of journalism in the sense of reporting of the news after having done the research and running ...
