Global Automated Guided Vehicle Industry

In the early 1870s, shortly after the Meiji Restoration, Japan's new political leadership faced the problem of Western imperialism. Japan's oligarchs quickly decided to build both a strong economy and a strong military in order to negotiate with Western Europe and the United States on an equal footing. Meiji leaders systematically studied various economic models and decided to adopt a system of government-directed capitalism based on recently unified Germany rather than the Anglo-American ...
