Harmonic Feedback by Tara Kelly tells the tale of a teenage girl with Asperger’s syndrome, ADHD, and anxiety disorder who joins a band and meets her dream guy. HARMONIC FEEDBACK has a unique voice and memorable characters. The few issues I had with plot and pacing paled in comparison to Tara Kelly's resonant writing, which made this a lovely read for me. Drea may have many labels assigned her, but we'll all be able to recognize a bit of ourselves in her slightly eccentric, no-nonsense social awkwardness.
