About The Basic Writings of C. G. Jung. In exploring the manifestations of human spiritual experience both in the imaginative activities of the individual and in the formation of mythologies and of religious symbolism in various cultures, C. G. Jung laid the groundwork for a psychology of the spirit. The excerpts here illuminate the concept of the unconscious, the central pillar of his work, and display ample evidence of the spontaneous spiritual and religious activities of the human mind.

The Basic Writings of C. G. Jung is a collection of the writings of Carl Gustav Jung. It covers his most important points about the nature of the psyche and the collective unconscious. Considering the thickness of the book I thought it would be harder to read and get into, but I was wrong about that.
